

Title: I Think It's Gonna Rain
Lyrics: Randy Newman

Broken windows
Empty hallways
Pale dead moon in the sky filled with grey
The human kindness is overflowing
And I think it's gonna rain today

See the scarecrows dressed
In the latest styles
Frozen smiles to chase love away
Human kindness is overflowing
But I think it's gonna rain today

Tin can at my feet
Think I'll kick it down the street
That's the way she treat a friend
Yeah, that's the way she treat a friend

Right before me
The signs implore me
Help the needy
And show them the way
The human kindness is overflowing
And I think it's gonna rain today
